Beta Evo 250 and 300's for Rent!

American Beta is offering our all-new Evo 300 2 stroke for rent at this year's NATC National Trial Series. With the cost and time of travelling, it makes more sense to rent than haul. Rental prices include the bike from Friday-Sunday as well as a pre-printed front number plate, gas, snacks, water, and complete pit service provided by Ron Lee of RL Racing and Tim Pilg from Beta. So just show up with your gear and ride, we take care of the rest!
